

# Contest Survey Results

01-05-21

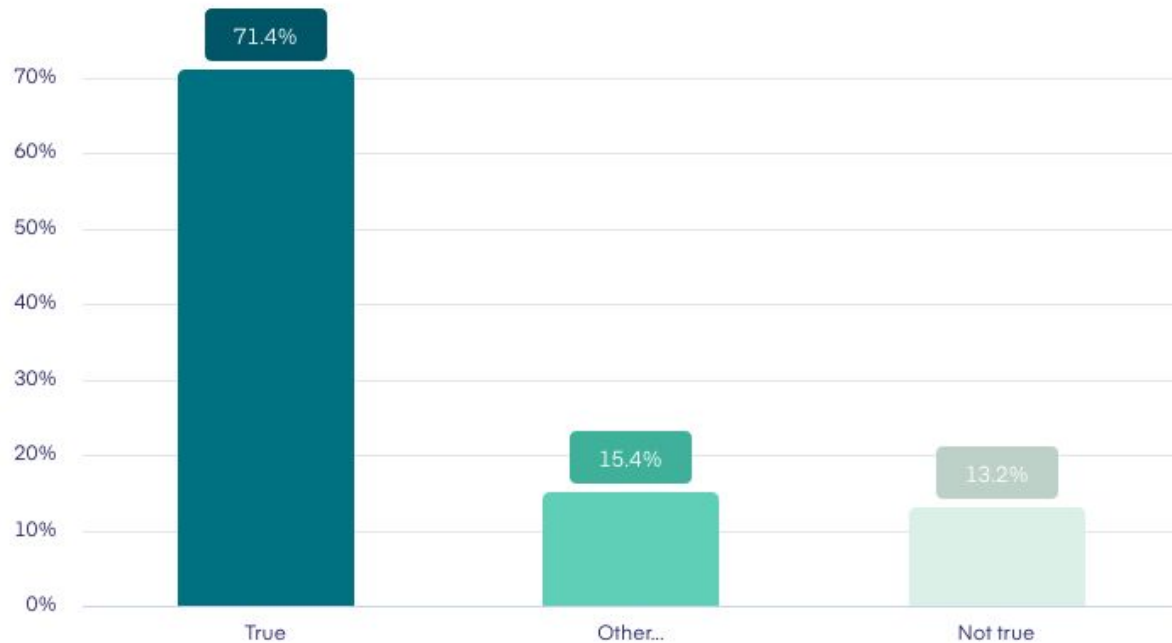

# 1. For me being part of an online interior designer community is

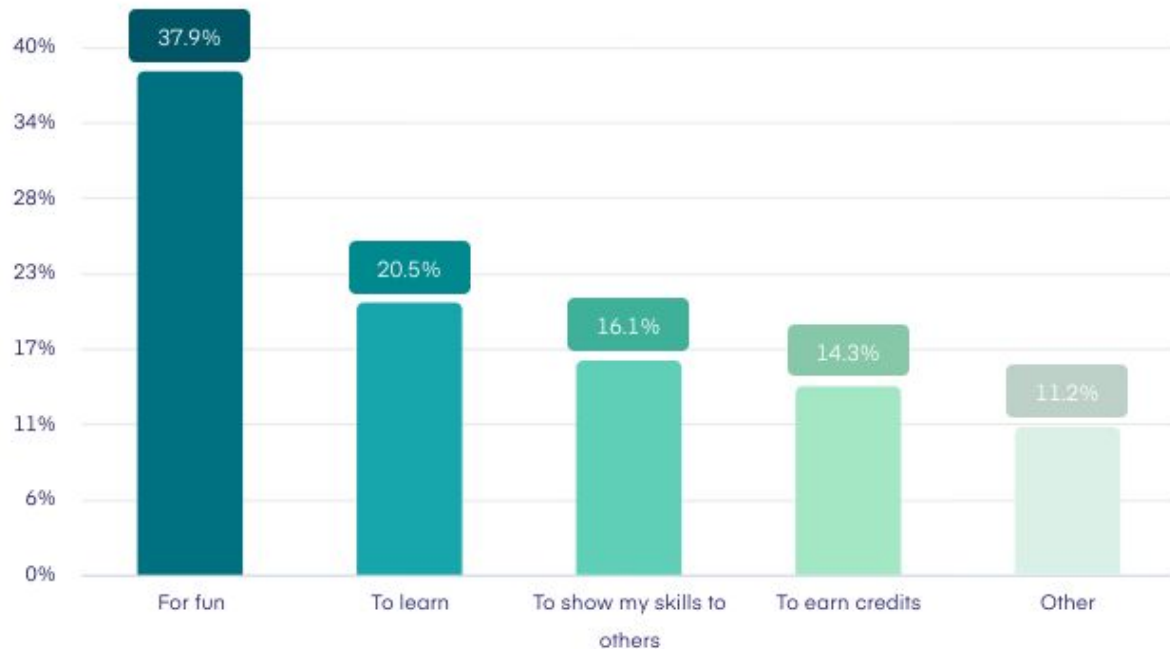

## 2. Every week I spend on Roomstyler

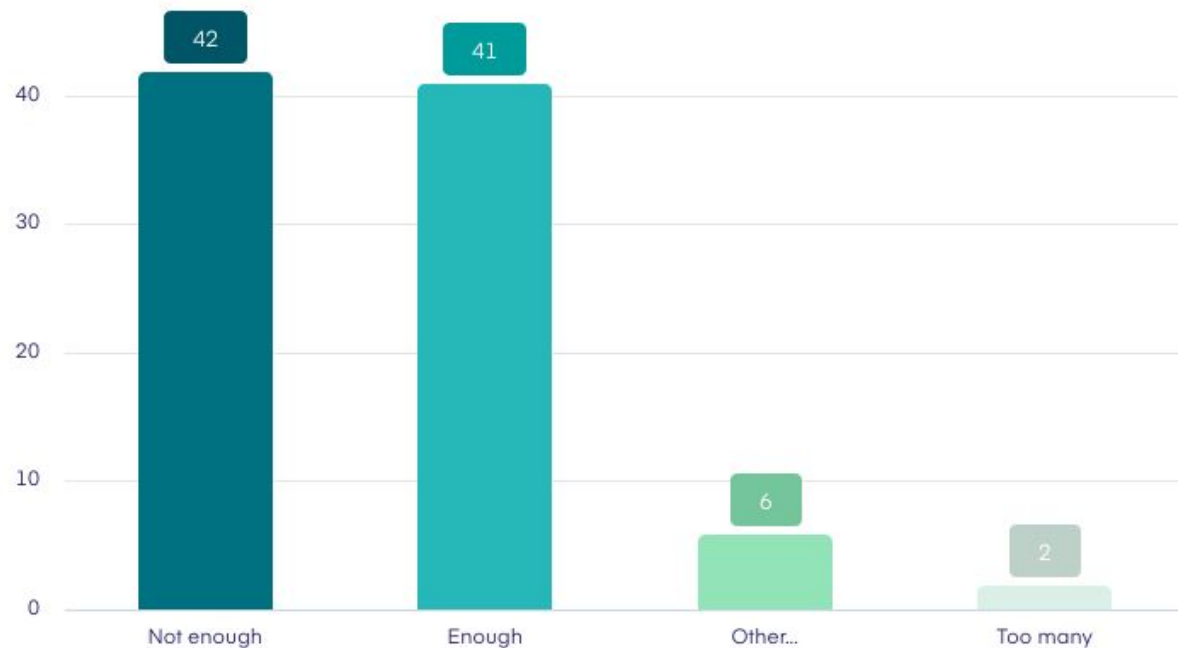

### 3. For me the contests are an important reason to be active on Roomstyler

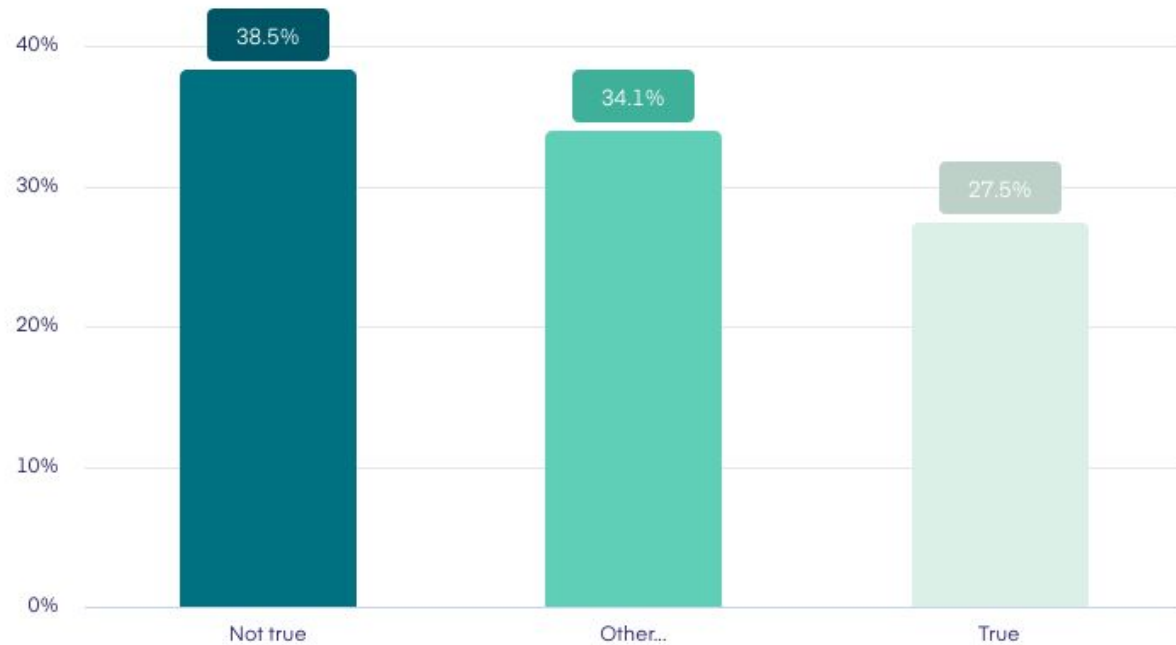

## 4. I participate in Roomstyler Contests

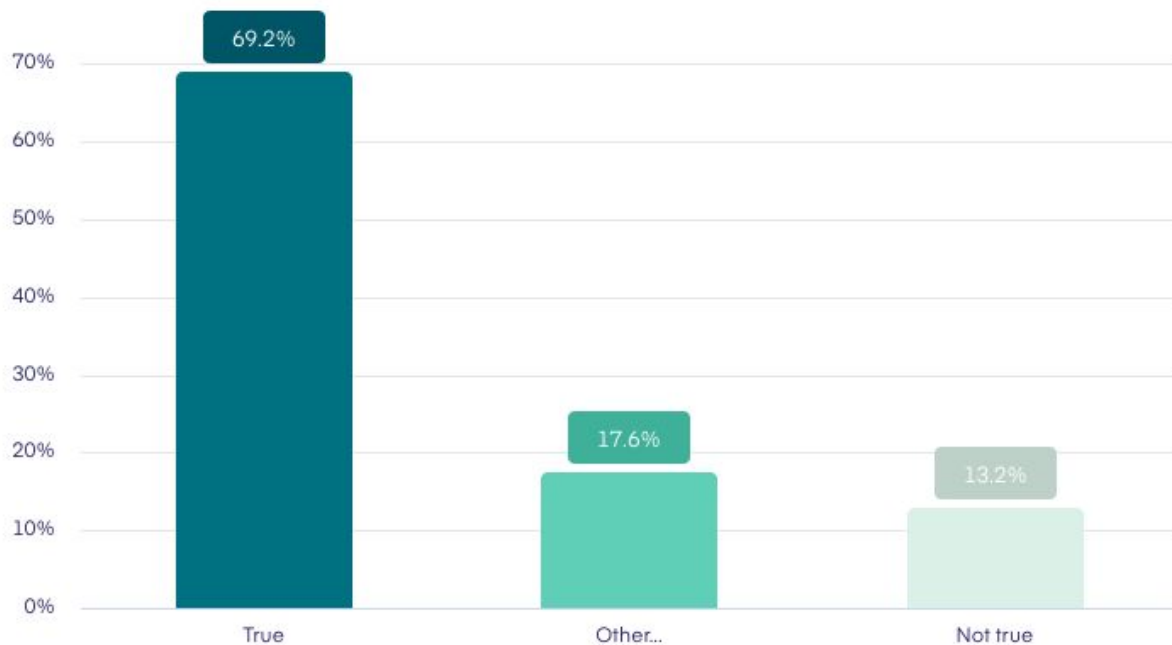

## 5. There are about two contests online every two weeks now. I think that's

## 6. I find contests with a template room more fun than an open contest

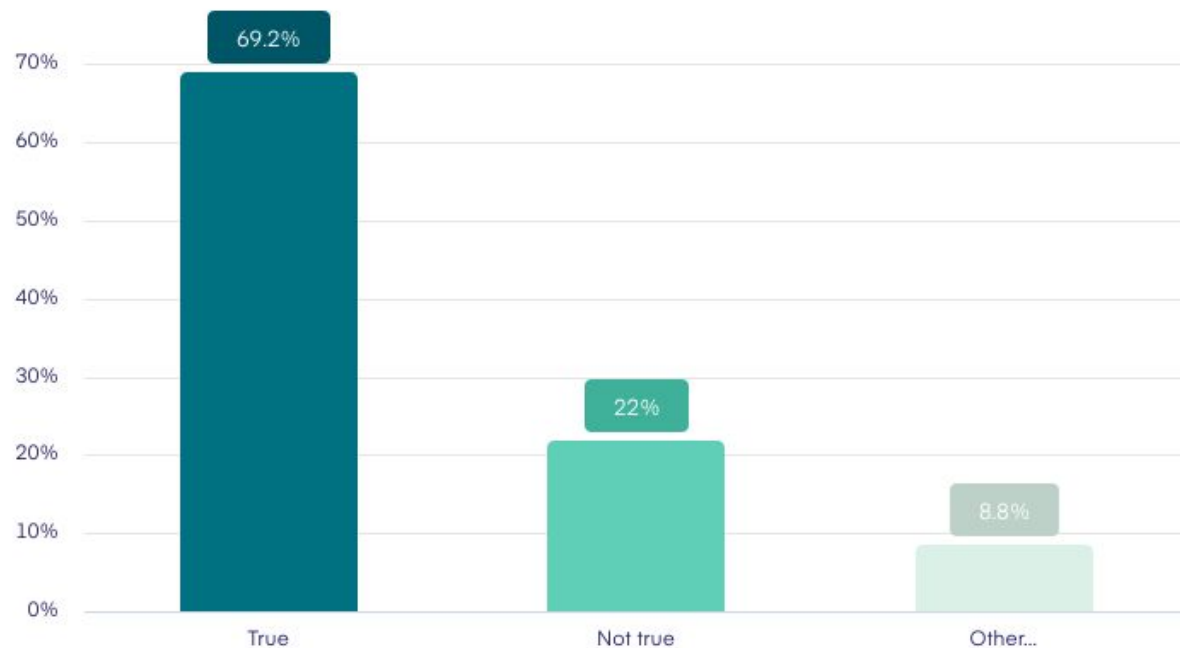

## 7. I would like to see more contests that are proposed by the community

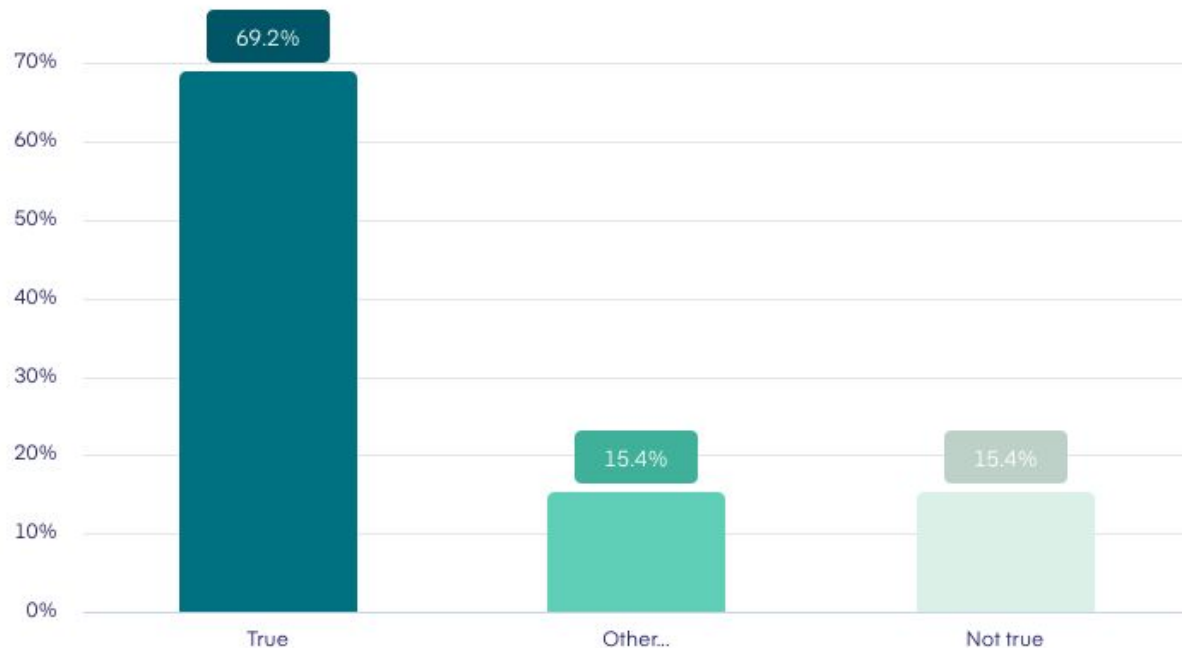

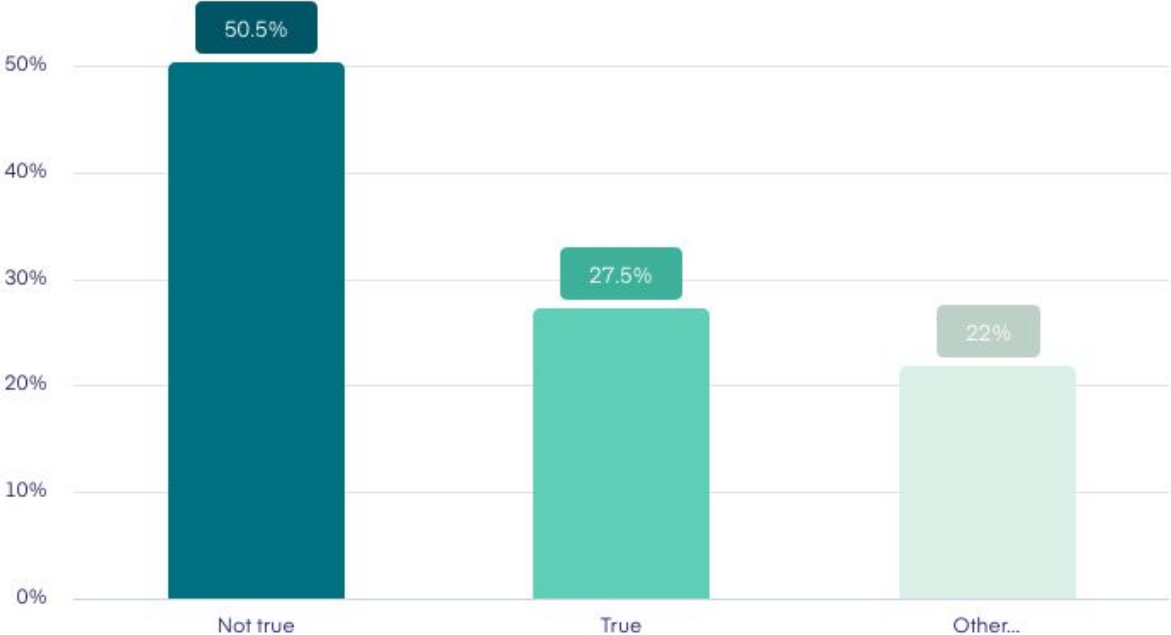

## 8. For community contests, I think it's important that the creator of a contest entry is highlighted

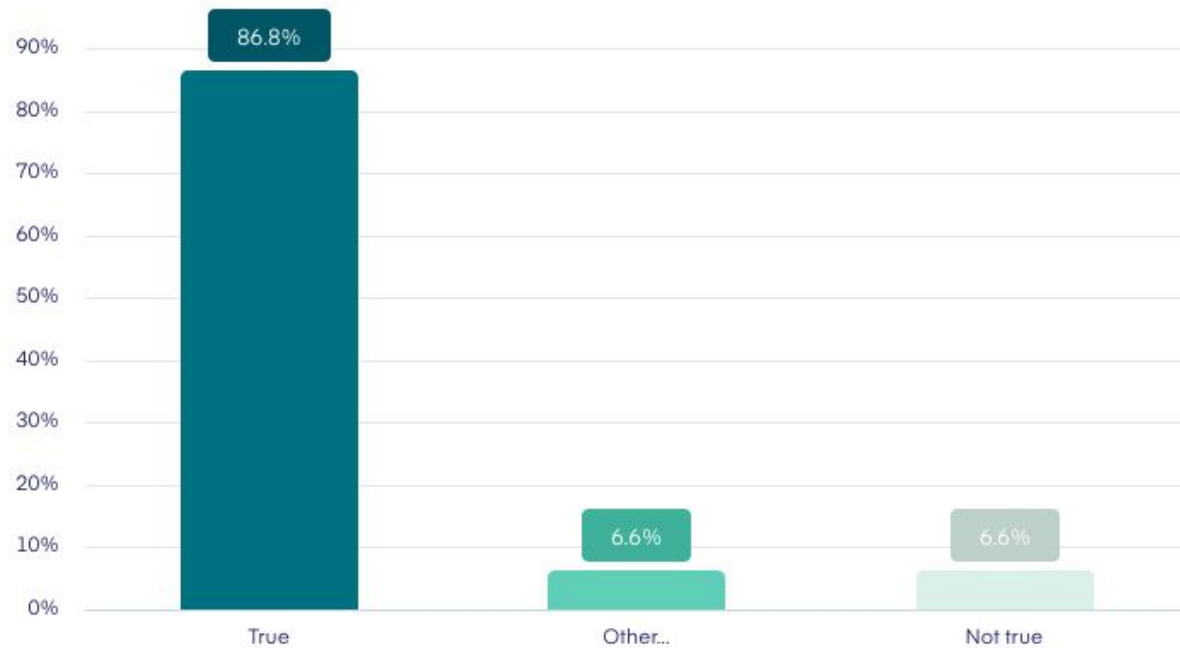

## 9. I think it's good that community votes decide the winners of a contest

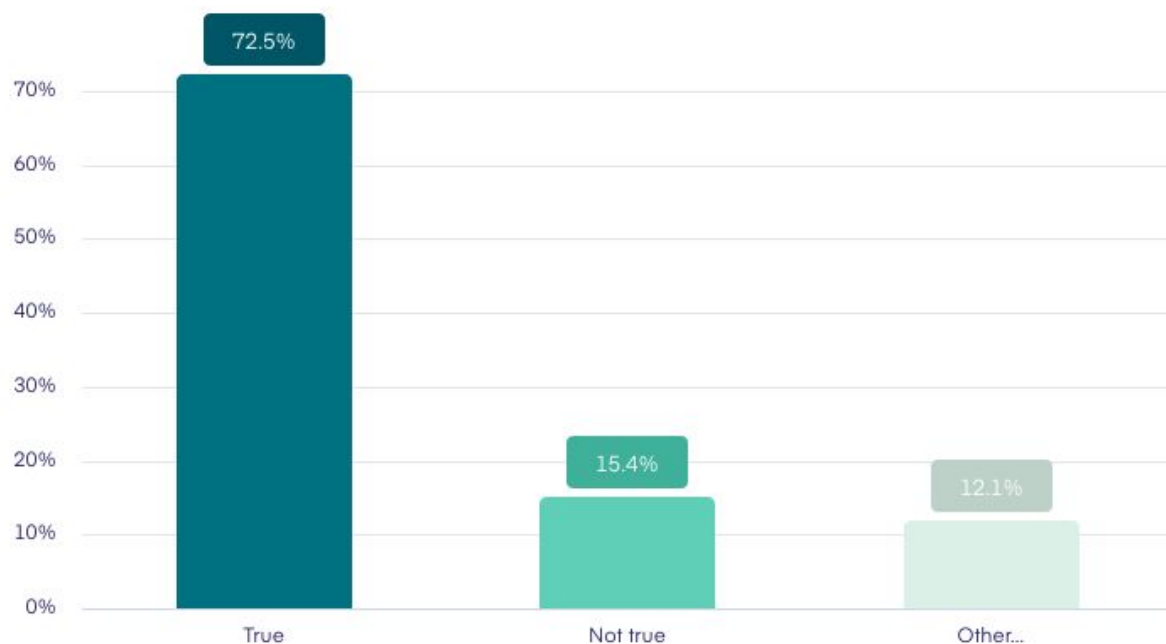

# 10. I would find it better if a separate jury would decide the winners of a contest

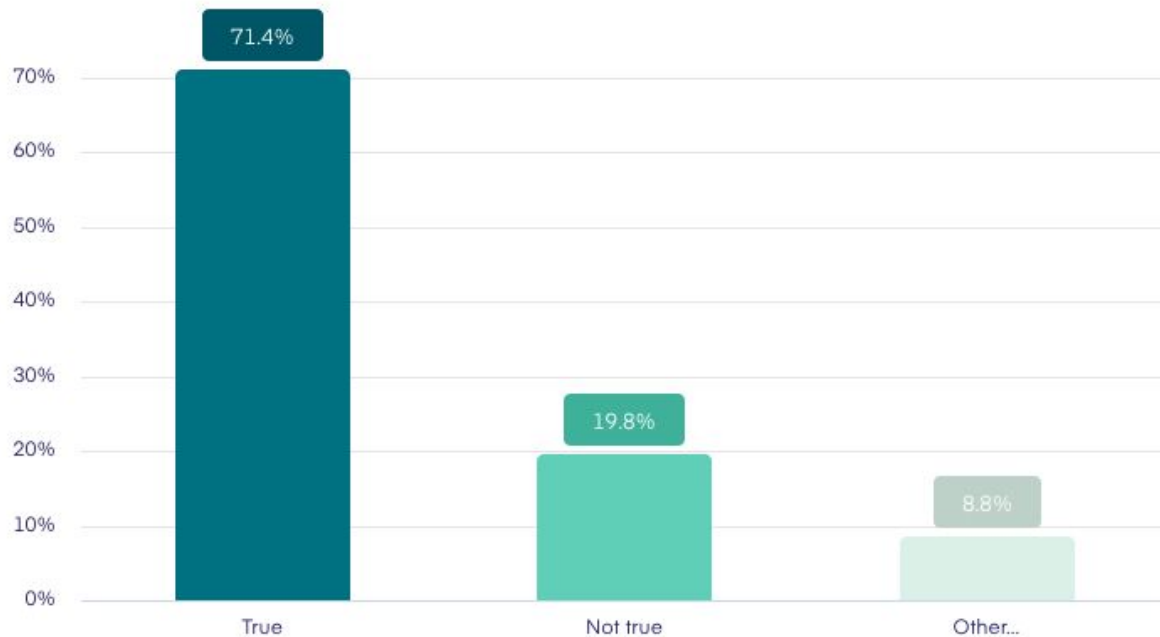

## 11. I find the ability to comment on entries valuable

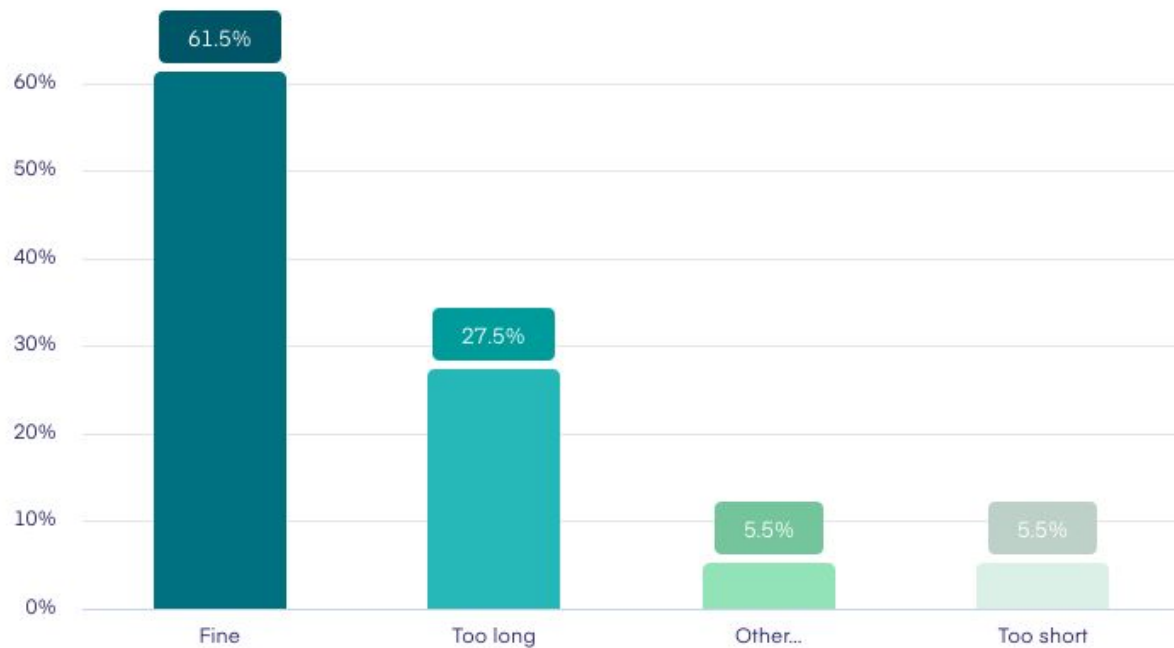

## 12. I think it's important that entries can be flagged by the community if they do not fit the contest description

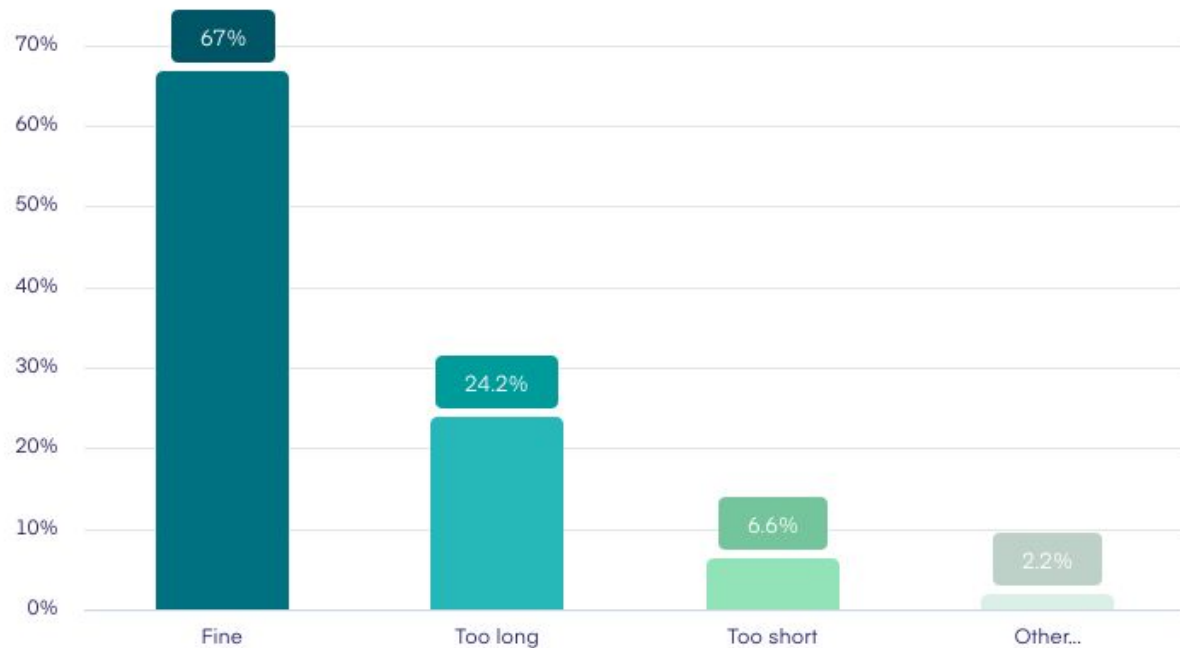

### 13. I think it's important for Roomstyler to actively remove entries that do not fit the contest description

## 14. I think the contest period of 12 days on average is

## 15. I think the voting period of 3 days on average is

## 16. I would like to know when
